Return to New York Times bestselling author Nalini Singh's darkly passionate Guild Hunter world, where human-turned-angel Elena Deveraux, consort to Archangel Raphael, is thrust center stage into an eons-old prophecy....

Midnight and dawn, Elena's wings are unique among angelkind and now they're failing. The first mortal to be turned into an immortal in angelic memory, she's regressing. Becoming more and more human. Easier to hurt. Easier to kill.

Elena and Raphael must unearth the reason for the regression before it's too late and Elena falls out of the sky. Yet even as they fight a furious battle for Elena's very survival, violent forces are gathering in New York and across the world.

In China, the Archangel Favashi is showing the first signs of madness. In New York, a mysterious sinkhole filled with lava swallows a man whole. In Africa, torrential monsoon rains flood rolling deserts. And in Elena's mind whispers a haunting voice that isn't her own.

This time, survival may not be possible—not even for the consort of an archangel.
